This addendum is to clarify changes in expectations and policies related to the SHADES Summer Afterschool Program that are different from the school-year afterschool program.

1. When you enroll in the SHADES Summer Afterschool program you are committing to reserve and pay for a space in the program for all 5 weeks.
2. Registration, paperwork and fees are due by the date designated by the director when scheduling an orientation. Failure to submit paperwork fees and attend orientation will forfeit your child's space and the next student on the pre-registration list will be contacted.
3. The program starts on May 29, 2024 and concludes on June 26, 2024. Only afterschool hours will be available to your child during the 5 weeks of KCS Summer Learning Camp.
4. There is a non-refundable registration fee of \$15.00 for one student or \$25.00 for two or more students in the same family.
5. The cost for the program is indicated on the Service Needed Form. DHS Vouchers are accepted. All fees incurred that are not covered by the DHS Voucher are the responsibility of the participant.
6. Partial week service is not available.
7. Afterschool Summer School participants are not eligible to participate in the SHADES Full-day Summer Camp program until July 1, 2024 (Note: A separate registration for SHADES Summer Camp is required.)
8. All other terms and conditions outlined in the SHADES 2023-2024 School-Year Parent Handbook apply.
