Dear Parents,

SHADES of Development invites potty-trained students, ages 3 to 6 who have previously participated in child care to participate in the Extended Learning Summer PreK program. SHADES of Development is a licensed program operating as an independent contractor with the Knox County School system. The SHADES—Extended Learning PreK program offers increased preparation for kindergarten and school readiness. SHADES of Development was founded in 1995. Sindy Dawkins-Schade is the founding officer of SHADES of Development, Inc., a non-profit corporation.

The purpose of this handbook is to inform parents of program content, policies, and procedures related to the SHADES of Development program.

The goal of SHADES of Development is to provide quality programming in a safe, healthy, educationally enriching, and fun atmosphere. Children will be given the opportunity to engage in activities that will benefit them socially, emotionally, physically, and intellectually.

SHADES of Development is open to all children regardless of race, color, sex, handicap, religion, or national origin.

You may contact the SHADES of Development central office at 865-938-9164. The SHADES-Ft. Sanders number is 865-312-4564 and the SHADES of Development—Karns number is 865-690-0906. Please feel free to contact us at any time with your questions, ideas and concerns.

Thank you for selecting SHADES of Development Extended Learning Summer PreK Program.

Sincerely,

Sindy Dawkins-Schade

LOCATION

The SHADES of Development Extended Learning Summer PreK program is located at Ft. Sanders Developmental Center and Karns PreK campus. Typically the program's *home-base* is the cafeteria; however, the program utilizes many other areas of the school such as the gym, library, classrooms, and playground.

DATES AND TIMES

The SHADES of Development program operates May 26, 2026 to July 17 at Ft. Sanders and May 26, 2026 to July 24, 2026 at Karns. SHADES will then be closed until PreK/Kindergarten starts full-time. SHADES will operate from 7:30AM to 6:00 PM @ Ft. Sanders and 7:00am-6:00pm at Karns Monday through Friday. SHADES will be closed on Memorial Day, Juneteenth, and July 3rd. The SHADES schedule is subject to change pending Knox County school calendar and/or contract changes.

DOE/DHS

Department of Education (DOE)/Department of Human Services (DHS)

DOE/DHS approves/licenses programs based on State Standards for providing services over 15 hours per week. These guidelines are driven by bills and laws passed by congress to ensure safe and healthy environments for children. Many of the SHADES of Development program policies were developed to meet DOE /DHS requirements. Please review the DOE/DHS guidelines provided on the SHADES website for more information about child care requirements.

PROGRAM CONTENT

SHADES of Development believes in adventure learning which challenges and encourages children in each of the four developmental domains. The SHADES curriculum is based on weekly themes that promote social, emotional, physical, and cognitive competency in children.

The SHADES Extended Learning Summer Program is funded in part by a 21st Century Grant intended to promote school readiness and success. The PreK Extended Learning Summer Program content is outlined below.

Large Group Time

This is a 10-15 minute large group activity during which PreK Specialists introduce learning objectives, promote social skills and peer relationships and teach theme related concepts through literature, mu-

sic, storytelling, and demonstrations. Children become familiar with the norms and expectation of learning environments to come during their elementary years.

Small Group Time

During *Small Group* students work in small groups of 3 to 4 with a PreK Specialist to explore theme related STEM, Creative Arts and Healthy Lifestyles projects that embed reading, language arts, math, science, social studies, social/emotional competency, health and nutrition content, skills and practice. All students are rotated through small group. Students participate in theme focused learning centers until it is their turn for *Small Group*.

Learning Centers

This is the area of the program where children have the opportunity to participate in self-directed activities. Children may explore STEM Centers (science, technology, engineering, and math), and Creative Arts Centers (drama, music, writing, drawing and sculpture, reading and language.) The activities in this area help develop creativity, cooperation, socialization, problem-solving and kindergarten readiness.

Physical Fitness

SHADES of Development offers children a mix of adult-directed and self-directed opportunities for physical exercise through play in the gym and on the playground. The activities challenge children's physical limits and agility, while encouraging cooperation, gross motor skill development and teamwork.

Social Skill Curriculum

SHADES uses the Sanford Harmony Curriculum to weave social skill development and competency throughout the program. This curriculum focuses on self regulation, personal expression, and communication skills as well as character traits such as respect, trustworthiness, honesty, fairness, friendship, community, good decision-making, positive communication, active listening, and conflict resolution.

Nap/Story time

This is the time during the day that children have the opportunity to relax their bodies and their minds. A SHADES staff member will introduce children's literature through ongoing readings of children's books. This time allows the children to rest and recharge. Non-sleepers have the opportunity to develop imagination and comprehension skills, as well as, an appreciation for reading and language through read-aloud children's books.

Snacks and Meal

SHADES of Development provides a morning snack from 7:30-8:00am, lunch at 11:30am and an afternoon snack from 3:00-3:30 PM. Please speak with a SHADES Site Administrator if your child has medical or religious related dietary restriction.

SHADES OF DEVELOPMENT STAFF

Each SHADES staff member has been selected for his/her educational and practical experience, as well as, his/her special skills and abilities to relate to children in a positive manner. SHADES staff members are involved in intense orientation training. The orientation training offers CPR, first aid, child development, developmentally appropriate practices, human relationships, activity planning and behavior management. Staff members are also required to participate in ongoing training throughout the year to ensure they are up-to-date and knowledgeable about current trends and practices. Staff/child ratios will be as low as possible.

RELEASES

SHADES of Development tracks academic records, assessments, target indicators and free and reduced lunch eligibility for grant reporting purposes. SHADES of Development also documents activities and events through pictures and videos. This tracking and documentation is essential to receiving continued grant funding. Please be aware that a student records release including academic and free and reduced lunch, are included on the child information sheet and is a requirement of program participation. Photos may also be used in program promotional materials.

PARENT INVOLVEMENT

The exchange of information about a child between the staff and a parent can be very helpful to the family and the SHADES program. The staff will be better able to meet the needs of each child if they are aware of special circumstances in a child's life such as: an illness in the family, birth of a new sibling, change in living arrangements, divorce, special fears, etc.. Children often exhibit signs of stress during such transitions and circumstances. The SHADES staff will be able to empathize with and encourage the children more appropriately with such information.

Parents are encouraged to observe and/or participate in the SHADES program and in program activities whenever possible. If you have a special talent or occupation that you would like to share with the children in the program, please let the director know and she/he will be delighted to arrange a time for you to do so.

Parent Involvement Survey

During preregistration you were asked to complete parent involvement questions. SHADES of Development realizes that not all parents want to participate in the summer program in the same way. The parent involvement survey helps SHADES know the best way to ask

you for your involvement. Your participation in your child's education and summer experiences has a dramatic impact on his/her school success.

SHADES Program Advisory Committee (PAC)

The SHADES Program Advisory Committee helps evaluate and guide the program policies and content. We need you! Please consider serving on the SHADES Program Advisory Committee.

Silent Fundraising

Please support SHADES by taking advantage of the silent fundraising opportunities available. They are quick and easy.

1. Connect your Kroger card to SHADES
2. Connect your Ingles card to SHADES
3. Connect your Food City card to the SHADES

COMMUNICATION

Communication between SHADES of Development and program participants is extremely important. In an effort to increase positive communication, SHADES of Development has several systems in place. These systems include the Procure Engage App, a program greeter, newsletters, daily news e-mails, site Facebook Page, My-Procure account accessibility, e-mail messages, text messaging, google forms and survey form, parent surveys, child surveys, parent conferences, and a Site Program Advisory Committee.

Procure Engage is our first and most up-to-date mode of communication. It is our expectation that you install and create a Procure Engage login upon registering for the SHADES Summer Program.

Please use the contact information listed at the back of this handbook to contact the site staff.

DROP-OFF AND PICK-UP PROCEDURE

Summer Drop-off

During the summer, you or an authorized sign-in/sign-out person must be registered with SHADES pin numbers. Pick-up persons will use those numbers either on their Engage App or at the sign-out kiosk at drop-off and pick-up. Child sign-in protocols are for the safety and security of all children. Children should be signed in by 9:00AM each day.

Pick-up

Children should be picked up between 4:00 and 6:00PM. Children enrolled in SHADES of Development must be signed-out by an authorized pick-up person each day. Each authorized pick-up person will be registered in our Procure System to sign out your child. Children will not be released to a person that you have not designated as an authorized pick-up person unless SHADES receives a written parental request. **All SHADES participants must be signed out by an adult, 18 years old or older.** This is for the safety of your child (ren) and SHADES liability requirements. SHADES will be happy to register as many adults as you need to authorize as pick-up persons. Please be prepared to show a photo ID until the SHADES staff registers you and gets to know you.

Late Pick-up and Late Pick-up Fees

SHADES of Development closes promptly at 6:00 PM each day. Please make sure your child is picked up prior to 6:00PM. SHADES charges a late fee of \$1.00 per minute/per child for each minute a child is left at SHADES after 6:00PM. If your child has not been picked up by 6:00 PM and SHADES can not reach you or your emergency numbers, your child will be turned over to Child Protective Services.

Impaired Pick-Up Persons

Should an authorized adult that is impaired due to drugs or alcohol attempt to pick up your child, SHADES of Development will not release your child. You or another authorized adult will be called to transport your child. Authorized pick-up persons that arrive impaired to the program will lose pick up rights upon a second attempt to pick up a child while impaired. The police will be called should an impaired authorized pick-up person become aggressive or violent.

Pick-up Rights of Natural Parents

By law SHADES of Development can not deny access to natural parents without a court order. If you have custody restriction outlined by the court, please submit the court order to the SHADES Site Director; otherwise, SHADES of Development is obligated to release children to natural parents.

ILLNESS AND SICK CHILD POLICY

SHADES is concerned with the health and welfare of each child in the program. SHADES does not provide care for sick children. If your child has a temperature of 100.4 degrees or above, diarrhea, head lice, or any other contagious illness, do not send him/her to SHADES of Development. Please help us keep our children healthy by keeping sick children at home. If your child becomes sick while at SHADES, a SHADES staff member will call you to pick up your child. Contagious children are expected to be picked up within an hour of parental contact.

Please remember that children should be symptom free for 24 hours before returning to SHADES. Please call SHADES by 9:00AM if your child will not be attending SHADES for the day.

MEDICATION POLICY

If your child needs to take any type of medication while at SHADES of Development, a Knox County Schools Medication Form must be completed by a physician. This includes prescription and over-the-counter medications. Medication must be given directly to a SHADES staff member and the medication must be in its original container with your child name on the container. The container must display a current expiration date. SHADES can not administer medication without a completed medication form. This includes over the counter medications such as cough drops and medicated ointments. Medication forms are available on our website and at the sign-out area.

EMERGENCY PROCEDURES

SHADES of Development has developed an Emergency Management Plan unique to each SHADES PreK program. The Emergency Management Plan includes procedures for fire drills, tornado drills, gas leaks, intruders, hostage situations, and bomb threats. Each SHADES site also has staff members that are certified in CPR and 1st Aid. In the event of a facility evacuation, SHADES of Development will evacuate to a predetermined location. In the event of an emergency SHADES of Development will activate the Emergency Management Plan. You will be informed of emergencies through Procure Engage and text messaging. You will be given a brief description of the situation and you will be instructed as to where and when to pick up your child. For more information about the Emergency Management Plan, contact your program director.

If your child is injured while at SHADES of Development, you will be contacted immediately. If your child requires immediate medical attention, he/she will be transported by ambulance to the hospital indicated on your child enrollment form.

DISCIPLINE POLICY

We feel that all children deserve the opportunity to participate in a safe, healthy, and friendly atmosphere. With this in mind, the school and the SHADES staff have established rules that all of the children are expected to follow. SHADES considers refusal behavior, bad language, arguing with a PreK Specialist, and physical aggression toward children and staff to be unacceptable behavior. SHADES reserves the right to suspend and/or terminate students in the event that parent conferences and behavior plans are ineffective.

Discipline Policy

1. Rules will be clearly outlined. If inappropriate behavior occurs, redirection will be used to discourage the behavior.
2. If behavior persists, natural or logical consequences will ensue. Natural consequences - something that occurs naturally from a given action. If a child chooses not to eat snack during snack time, he/she may be hungry until dinner. Logical consequence - something that occurs due to the rules of social order. If a child throws toys in the room, he/she may be asked to clean the toys up and place them back on the shelves.
3. Co-regulation strategies will be used to help children regain self-control and regulated behavior. Once the child is regulated, the issue will be discussed. Any restorative action will be completed and then the child may return to regular activity.
4. Behavior incidents will be viewed as teachable moments to help students gain skills needed to self-regulate. In the event SHADES can not guide a child to regulation, SHADES has the right to suspend or terminate for violent or flight behavior.
5. Behavior incidents will be tracked on a child behavior log and close parental/guardian communication will be maintained.
6. In the event of behavior concerns, a formal parent/director conference will be called early and often to develop strategies for child success. Full parent engagement and participation is required for SHADES to continue to work with students with concerning behaviors.
7. SHADES of Development reserves the right to suspend or dismiss children from the program if behavior problems can not be resolved. Please note the SHADES Expulsion Policy available on our website.

TOYS FROM HOME

SHADES of Development makes a special effort to provide games and activities that are appropriate for all of the children in the program; therefore, SHADES does not allow children to bring toys from home. Our “no toys from home” policy eliminates the problems associated with sharing, loss, and theft of personal toys. This policy includes trading cards and other collectibles.

DRESS CODE

SHADES of Development follows the same dress code embraced by the school in which we operate. Please refer to the school handbook for dress code details. SHADES also requires tennis shoes in the gym and on the playground. Children wearing hard sole shoes, sandals, crocs/slides or boots are asked to pack tennis shoes in their backpack. Children will not be allowed to participate in the gym or on the playground without tennis shoes. SHADES will make every effort to provide spare tennis shoes when necessary.

FEES AND PAYMENT POLICY

Although SHADES of Development is a fee based program, it is the goal of SHADES to serve all children in need of our program. SHADES of Development is partially funded through a 21st Century Community Learning grant; however, your commitment to financially support the program through DHS Child Care Voucher Funding and/or ability to pay is essential to keeping the SHADES Extended Learning program available and accessible to your community.

All eligible families are expected to apply for the childcare certificate program by contacting (865) 594-6151. Families requesting scholarship funding will be required to provide proof of DHS Child Care Certificate application. There will be a minimum \$10.00 per child, per week fee until proof of DHS Child Care Certificate Application is submitted to SHADES of Development.

Financial Assistance

SHADES of Development offers financial assistance to families in need participating in the PreK program, while funds last. Financial assistance is based on a rubric coupled with household income. Please complete a SHADES Financial Assistance Form upon enrollment if you feel that you are in need of financial assistance. Families that qualify for financial assistance may receive assistance for weekly tuition. Financial assistance is made possible in part by 21st Century Grant Funding. Please complete a SHADES financial assistance form to help SHADES determine your family’s ability to pay.

Registration

There is a \$50.00 per child or \$75.00 per family non-refundable registration fee to enroll in the program. Return customers (defined as using SHADES within the past 365 days) receive a one-time \$10.00 discount off of summer registration. A deposit equal to one week of fees is required upon registration. Deposits are non-refundable, but will be applied to the last week of service. Paperwork, deposits and the registration fee should be submitted by the deadline set at your orientation meeting.

Payment Schedule

Fees are due each Monday. Participants that choose to participate in automatic draft payment method will have payments drafted each Monday of the summer. Please choose the payment method best for you if you are participating in Tuition Express.

Late Payment Fees

Although fees are due on Monday of each week, there is a grace period until 6:00pm on Wednesday each week. There is a \$5.00 late pay-

ment fee for payments received after Wednesday at 6:00 PM. There is also a \$5.00 late payment fee on accounts that carry an outstanding balance. Please help us maintain the SHADES Extended Learning Summer program by fulfilling your financial commitment to the SHADES program. Tuition Express auto draft customers never have to worry about late fees.

Late Pick-Up Fees

SHADES of Development closed promptly at 6:00pm. There is a \$1.00 per minute, per child late pick-up fee for children left in the care of SHADES of Development after 6:00PM.

Base Weekly Fee Rates

Preschool	First Child	Subsequent Children
7:30am-6:00pm Ft. Sanders Campus	\$140.00	-\$10.00 Discount
7:00am-6:00pm - Karns Campus	\$140.00	-\$10.00 Discount

SHADES of Development offers services at a break-even rate. Our cost of service is \$140.00 per week. When you enroll your child in the SHADES Extended Learning Summer program you are contracting service for each week of the entire summer. SHADES reserves space, staff, snacks, and supplies that must be available each day for your child. Fees are not altered due to absence, illness or changes in summer plans. Fee obligations remain constant throughout the summer. Please review the Summer Fees form for specific fee information. Please call SHADES by 9:00 AM if your child will not be attending SHADES for the day.

Students receiving tuition assistant do not qualify for any other discounts.

Electronic Fund Transfers

SHADES of Development recommends electronic fund transfer payments. Electronic fund transfers can be set up to debit your checking, savings, Visa or Mastercard account. With electronic fund transfers your account will be debited on Monday of each week of the summer. Customer that choose to pay in advance or in a lump sum may pay through Procure engage or by check or money order and the payment will be carried as a credit on the account until it is used up in weekly charges. Please check with your site director to find out which payment method would work best for you. Simply fill out the electronic transfer form to start the electronic fund transfer process.

Electronic Transfer Dates

Weekly Payers

For weekly payers the transfer will be submitted on Mondays and your account will be debited each Tuesday.

Declined Electronic Transfers

In the event we receive a declined electronic transfer you will be con-

FORMS OF PAYMENT ACCEPTED

tacted immediately. Upon notification the amount of the electronic fund transfer and a \$20.00 service fee should be submitted by money order or point-of-sale. Declined payments can not be re-run for any reason. Accounts that are declined twice during the summer will be required to submit all further payments by money order or point-of-sale.

Checks and Money Orders

SHADES of Development accepts money orders from customers that do not have checking, savings, or credit card account. *SHADES of Development does not accept cash.*

Returned Checks

There will be a \$20.00 return check fee added to your account should a check be returned for any reason. Return checks balances should be cleared immediately by money order or point-of-sale. Two returned checks in one summer will require all further payments be made by money order or point-of-sale.

Please be sure to speak with your site director should you experience financial difficulties. SHADES will try to work with you in any way possible if we are alerted prior to a customer reaching termination status. Again, we appreciate your commitment to support and sustain the SHADES Extended Learning Summer PreK program through DHS Childcare Vouchers and commitment to pay fees.

SUMMER ATTENDANCE EXPECTATIONS

The SHADES of Development Extended Learning Summer PreK Program is a 9 week program at Karns and an 8 week programs at Ft. Sanders. Your child’s regular attendance is important to your child’s success. Participants are committing to pay for and regularly attend all weeks of program operation.

Regular attendance is defined as 120 hours or more during the summer program. Students receiving scholarship funding must attend eight weeks of summer to maintain scholarship funding.

Fees are due regardless of attendance. Fees are not altered for any reason, including illness, vacation and/or family emergency.

Please communicate planned absences with your site director in advance. In addition, please call SHADES by 9:00am in the event your child will not be attending due to an unplanned absence.

You proactive communication and your child’s consistent attendance is critical to your child’s success in the SHADES summer program.

PARENTS RIGHTS AND RESPONSIBILITIES

Parents have the right to:

1. Know that their child is in a safe environment where they are offered a variety of activities.
2. Know what types of activities are being planned and offer feedback on the types of activities that their child enjoys.
3. Share concerns with the staff and program director at any time about anything that they feel is not in the best interest of their child.
4. Know their child's abilities and achievements while at SHADES.
5. Know if their child is misbehaving and spend time talking with the staff concerning a solution.

Parents have the responsibility to:

1. Download and login to the SHADES Procure Engage App
2. Let the staff know if their child will not attend for the day.
3. Fulfill their financial commitment to SHADES.
4. Observe the rules of SHADES of Development as set forth in this handbook and any additional policy statements.
5. Share their concerns with staff members and the program director if the program is not meeting their child's needs.
