Failure to adhere to the deadline will forfeit your child's space and the next family on the list will be contacted.

Summer school participants in need of drop in services on June 1st, June 25th and/or June 26th must complete a drop in agreement and reserve space as outlined in the agreement. Drop-in services are based on availability.

**2026 SHADES Summer Theme: Through the Ages!** - Each week we will be visiting a different period in time learning about notable events and history. Camp will come to life through connecting children's literature with adventure learning activities. Get ready to have some fun! Note: SHADES can not provide full day service for afterschool participants June 2nd- June 24th.

Students attending the SHADES full-day summer camp before or after KSC summer learning camp must sign up according to SHADES summer camp procedures and must complete full-day summer paperwork. The registration fee for both camps will not exceed the SHADES full-day summer registration fee.
